Qualifications required to construct vehicular and special crossings on public roads and road reserves

Any person who wishes to undertake the construction of vehicular and special crossings within the road reserve of the Wollongong City Council Local Government area will need to satisfy the following:

Requirements

- Hold a current Contractor's Licence in General Concreting – available through the NSW Department of Fair Trading
- Hold a certificate for General Induction for Construction Work in NSW (Green Card)
- Hold Traffic Control Certification Level 1 – Traffic Controller
- Hold Traffic Control Certification Level 2 – Apply Traffic Control Plans
- Hold minimum value of \$10,000,000 Public Liability Insurance Policy

Additional Information

- On all Roads and Traffic Authority-classified roads (major arterial roads), a Traffic and Pedestrian Management Plan, certified by an appropriately qualified person, must be submitted with the crossing application.
- Where a utility pit is located within the proposed driveway, written confirmation must be obtained from the utility provider advising that the pit may remain in its current location or if it is to be relocated. Processing of your application cannot be undertaken until such time as this documentation is obtained and submitted to Council.

Privacy Notification (*Privacy and Personal Information Protection Act 1998 – Section 10*)

The personal information that Council is collecting from you on this application form is personal information for the purposes of the *Privacy and Personal Information Protection Act 1998* ('the Act'). The intended recipients of the personal information are officers within the Council and any person wishing to inspect the file in which the Application will be filed. The supply of the information by you is not voluntary and if you cannot provide or do not wish to provide the information sought, the Council will be unable to process your application. Council is collecting this personal information from you in order to comply with the requirements of the legislation under which the Application is made. You may make application for access or amendment to information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with the Act. Council is to be regarded as the agency that holds the information. Enquiries concerning this matter can be addressed to Council by telephoning 4227 7111.
