COSTS
The current fee for flood information is \$80.00 (including GST). Payment must be made with this form. A cheque may be made out to "Wollongong City Council" or alternatively payment can be made at Council's Administration Building. Please allow approximately 10 working days for this information.

NOTES
All levels given are based on Australian Height Datum (AHD).
With regard to future development on flood prone lands, you are advised that Council's requirements are contained in Council's Wollongong Development Control Plan 2009 and the NSW Government's Floodplain Development Manual 2005. These documents are located in Council's Reference Library on Level 1 Administration Building – Burelli Street Wollongong as well as via Council's website <a href="http://www.wollongong.nsw.gov.au">www.wollongong.nsw.gov.au</a> Alternatively, you may wish to engage the services of a Consulting Engineer who will advise you of your development options.

DISCLAIMER
The information provided to you will be without warranty or guarantee as to its accuracy. Should you need to rely upon information of the type provided, you should employ the services of a suitably qualified Engineer who will assist you in interpreting the information on your behalf.
You should also obtain surveyed ground levels of the site and dwellings related to AHD (Australian Height Datum). This information along with the 1% AEP flood level will enable you to determine the effect/depth of flooding, if any, on this property.
