COMMUNITY SUMMIT REGISTRATION FORM

Closing Date: Monday 10 October 2011.

Council is seeking interested community members who would like to work with Council to create the vision for our city.

We are holding a Community Summit on 29-30 October 2011 at Wollongong Town Hall. A range of activities will be held over 1 1/2 days which will allow Councillors and the community to partner and develop the visions for the Community Strategic Plan. We aim to attract people from diverse walks of life, whose views will be representative of the whole community.

The information gathered at the Community Summit will then be used to create the Wollongong 2022: Community Strategic Plan, which will not only set out the community's vision but guide the work of the Council for the next 10 years.

To be considered for the Summit, interested people are asked to complete the Community Summit Registration Form. In the event that Council receives a high number of expressions of interest, a quota for the panel will be set and alternate methods will be offered to allow input into the process.

Note: We have asked you to indicate your age bracket, so each age bracket is represented on the panel. For similar reasons, we have included questions relating to language, gender and whether or not you identify yourself as Aboriginal or Torres Strait Islander. This information will be kept confidential and will only be used to assess diverse representation for the Community Summit.
