**THINK LOCAL
SUPPORT
YOUR CITY**

From Helensburgh to Windang, Dapto to Yallah... We Shop the 'Gong!

It's been a tough year for Wollongong's local businesses. The COVID-19 lockdowns hit hard, and there was a 30 per cent drop in local spending between July and September alone.

Now, we're calling on you to help our city to recover. Now is the time to buy local and Shop the 'Gong.

Wollongong City Council is getting behind our local businesses and has launched a Shop the 'Gong campaign. It's our way of showing our support for local retailers, creatives, tradies, service providers restaurants and bars who have had a tough run over the past two years.

The campaign is focussed on the whole Local Government Area and encourages our community to get behind all our businesses that are based locally, employ locals, sell to locals and deliver the goods or meet the needs of local people.

This means, while you're Christmas shopping or entertaining the family over the summer holidays, think local first. Book a local table. Celebrate locally. See local shows. Hire local tradies. Book local appointments. Discover unique shops.

When you buy online, think local with click and collect. Enjoy the convenience, while you support your city.

Get involved if you're a business:

If you're a local business owner, we know you have felt the impacts of the pandemic this year. Now is the time to get involved!

It's easy. Visit our website for all the tools you need to get the word out.
