

How to make a Date Cicada

YOU WILL NEED

- a sheet of rice paper-
- a large medjool date-
- warm water-
- scissors-
- red icing in a piping bag OR small peices of capsicum-

INSTRUCTIONS

1. Dip the scissors into the water and cut out two small wings from the rice paper. (Wetting the scissors stops the ricepaper sheet from cracking.)
2. Dip the tip of each wing into the water and glue to the top of the date.
3. Pipe icing or cut out two small red capsicum eyes.
