

1. LINE IT

Use a compostable liner in your kitchen caddy to easily remove food waste from caddy to green-lidded FOGO bin.

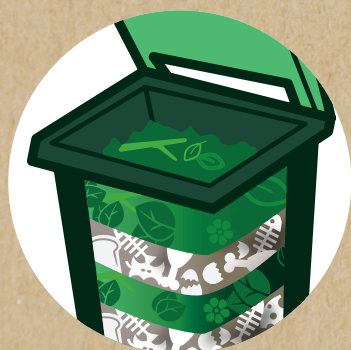

2. CLOSE IT

Keep the lid on your kitchen caddy closed. Lock in place with handle.

3. EMPTY IT

Empty your kitchen caddy every two to three days. Regularly wash and clean caddy and green-lidded FOGO bin.

4. PLACE IT

Layer food waste with garden waste in your green-lidded FOGO bin. Store bin in the shade.

5. KERB IT

Place your green-lidded FOGO bin out on the kerb for collection every week.
