

# Going to Comic Gong 2025

On Saturday 24th  
May I am going to  
Comic Gong.

Comic Gong is free,  
but I can bring  
money to buy food  
or souvenirs.

Lots of people  
attend Comic Gong  
and it can be noisy.  
I can wear ear  
plugs or bring  
anything else that  
will help me have a  
good time.

Comic Gong will be held at Dapto Ribbonwood Centre.

There are artist stalls in the Kurrajong Hall and trade stalls in the Scribbly Gum room and foyer where I can look and buy merchandise.

Dapto Library upstairs has board games, face painting, craft, glitter tattoos and author's selling their books.

The Heininger Hall has cosplay competitions.

There are arcade games in the Acacia room.

The Laurel room will have robotics.

I can find toilets including accessible toilets in the ground floor foyer and outside Heining Hall.

I can visit The Quiet Space in the Banksia room to take a break from the crowds.

If I have questions about where to find things, I can ask one of the volunteers or events staff.

I can scan this QR code if I want more information.
