Farewell Helen

We say a heartfelt farewell to one of our favourite instructors, Helen, who has decided to call time on her career. Helen has been an integral part of our swim school for 20 years, and her dedication, professionalism, and supportive nature have made her a valued member of our team. She has helped countless swimmers build confidence and skills in the water, and her positive impact will be remembered for years to come. We wish Helen all the very best in her retirement and thank her for everything she has contributed to our community.

We also would like to welcome Katherine and Gregory to our team. I'm sure you will enjoy their teaching skills.

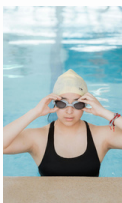

Swim School Return in 2026

We are excited to announce that Swim School will be back from Monday, 12 January 2026. Get ready for another fantastic year of swimming and skill-building!

If you will be away or unable to start when the program returns, please notify your absence in advance. Failure to notify will result in forfeiting your make-up lessons.

You can easily manage absences and arrange make-up sessions through the online portal. Full details are available on the back page.

Continuous Enrolment

Your current enrolment will automatically continue into the next block of swimming lessons, starting Monday, 12 January.

If you wish to cancel your booking, please contact the Swim School on 4227 7755 and let us know your decision.

To avoid further deductions, please notify us before the end of this block or by 5 January. Direct debits will recommence from 5 January.

Assessment Weeks

We're excited to announce the next round of level progressions:

- Levels 6–5–4: Monday 1 December – Sunday 7 December
- Levels 3–2–1: Monday 8 December – Sunday 14 December
