NOTE 1: Under the provisions of Section 26 of the Swimming Pools Act 1992 the applicant is entitled to appeal to the Land and Environment Court of NSW within 28 Days of the local authority's refusal of the application.

NOTE 2: The local authority's failure to determine the application within 6 weeks after it is made is taken for the purposes of any such appeal, to be a refusal of the application.

NOTE 3 Council may exempt the swimming pool from all or any of the requirements of Part 2 of the Swimming Pools Act 1992 if Council is satisfied, in the particular circumstances of the case that:

a) it is impracticable or unreasonable (because of the physical nature of the premises, because of the design or construction of the swimming pool or because of special circumstances of a kind recognised by the regulations as justifying the granting of an exemption) for the swimming pool to comply with those requirements, or

b) alternative provision, no less effective than those requirements, exists for restricting access to the swimming pool.

NOTE 4: Council may grant an exemption unconditionally or subject to conditions as considered appropriate to ensure that effective provision is made for restricting access to the swimming pool concerned or the water contained in it.
