Before I go to the library

I'm going to Wollongong Library.

I can find the entrance on the side of the building.

I wait my turn to enter.

I need to provide my name and my phone number when I go inside the library.

I use the hand sanitiser to clean my hands when I come inside.

If I am nervous about going, I can call the library and ask questions first.

I call (02) 4227 7414 to talk to the library.

I can ask the person at the Help Desk for a tour of the library.

About the library

There are people who work at the library who I can talk to.

The library is usually a quiet place where people talk quietly, relax and read books.

Sometimes it might be noisy.

If it is noisy, I can talk to library staff.

If I need to make a small amount of noise, that's ok too.

How I become a member of the library

I will talk to a member of staff to become a member of the library.

I will tell them my name, address, date of birth, telephone number and email address.

I will need to bring two forms of identification.

This can be a driving licence, bank statement, rental receipt or household bill.

One of them will need to show my name and address such as a concession card.

Health Care Card Issued by Department of Health and Human Services

Pensioner Concession Card issued by the Department of Health and Human Services

I will be asked a few questions and given some information about what I can borrow.

I will receive a library card. This makes me a member of the library.

When I visit the library

In the library, there are shelves of books, CDs, DVDs and magazines.

I can sit in a chair to read a book.

If I want to, I can borrow a book, CD, DVD or magazine.

I can then take it home with me for four weeks.

If I want to borrow an item, I will talk to a member of the library staff.

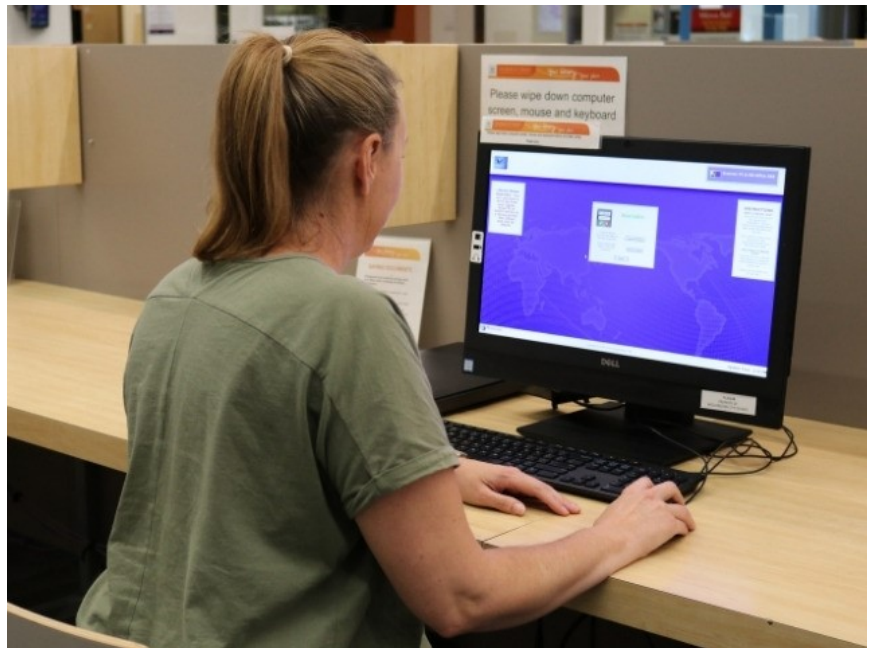

The librarian will show me how to borrow and tell me when I need to bring the item back to the library.

The library also has computers.

I can find these computers on Level 1 of the Wollongong Library.

These computers are free for me to use.

To use the computers, I will need my library card.

When I have finished, I will leave the library.

I come back to the library to return the items that I borrowed. I will find new items to take home!

I use the book return slot outside or inside the library to return what I borrowed.

This is the return slot inside the library.

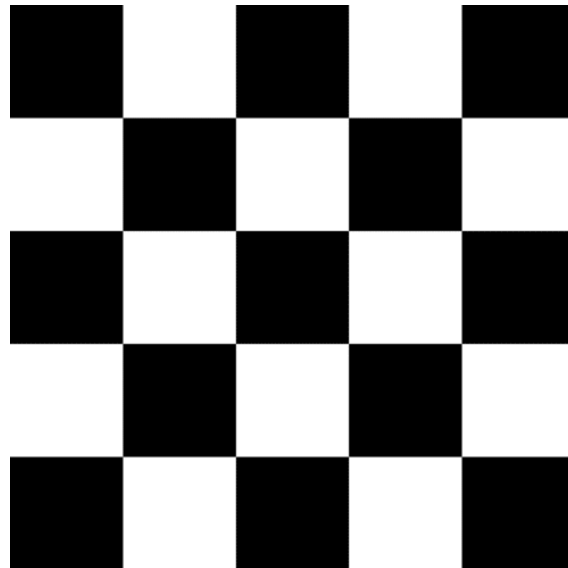

This is the return chute outside of the library.

I can return my borrowed items, even when the library is closed.

I need to read the instructions to open the chute.

We look forward to seeing you at Wollongong Library again soon!
