

## OUR WOLLONGONG JOIN THE CONVERSATION

### Exhibitions

These are projects Council is talking with the community about. For more information or to join the conversation, visit Council's website or phone Customer Service Centre. Submissions can be made via Council's website, email or post. All feedback must be received by the closing date.

#### • Street Trees for Dapto and Surrounds

Residents from Dapto, Kanahooka, Koonawarra, Horsley and Haywards Bay can join in to have a new street tree planted on the

nature strip at the front of their home. You can also tell us your preference for the type of tree to be planted.

#### • Community Safety Plan 2021–2025

We're updating our Community Safety Plan (the Plan) for 2021–2025, which will include strategies to support people to feel safer, be safer, and reduce crime. This is the third Plan Council have developed and builds on the current Plan (2016–2020). For more information or to submit feedback on the updated plan, visit Council's website by 26 October 2020.

#### • Port Kembla Pool Amenities Access Upgrades

As part of our commitment to improve access and inclusivity at our pools and beaches, a design has been prepared to create an Accessible Adult Change Facility. This new change area will provide people with high support needs and their carers with the space and equipment they need to enjoy Port Kembla Beach and Pool. All existing facilities will remain, but we'll need some of the space now used in the men's change area. Construction is planned for winter 2021. For more information or to submit feedback, visit Council's website by 2 November 2020.
