## FINANCIAL POSITION

## Cash, Investments & Available Funds

Council's cash and investments increased during January 2023 to holdings of \$147M compared to \$154M at the end of December 2022. A significant portion of these funds are subject to restriction meaning they can only be utilised for specific purposes. As a result, Council's true available cash position is more accurately depicted by considering available funds that are uncommitted and not subject to restriction.

External restrictions are funds that must be spent for a specific purpose and cannot be used by Council for general operations. Internal restrictions are funds that Council has determined will be used for a specific future purpose, although Council may vary that use by resolution of Council. Further details on the internal and external restrictions can be found in the Cash Flow Statement (Attachment 1).

The level of cash and investments in Council's available funds position is above the Financial Strategy target range of 3.5% to 5.5% of operational revenue (pre-capital). The decrease in cash and investments is in line with anticipated cash flows.

The Unrestricted Current Ratio measures the Council's liquidity position or ability to meet short term obligations as they fall due. The below graph reflects Council's performance against the Local Government benchmark of greater than 1.5 times.

# Borrowings

Council continues to have financial strength in its low level of borrowing. Council's Financial Strategy includes provision for additional borrowing in the future and Council will consider borrowing opportunities from time to time to bring forward the completion of capital projects where immediate funding is not available.

The Debt Service Cover Ratio measures the availability of operating cash to service debt including interest, principal and lease payments. Council's Debt Service Cover Ratio as at 27 January 2023 exceeds the Local Government benchmark of greater than two times.

## Infrastructure, Property, Plant & Equipment

The Statement of Financial Position shows that \$3.35B of assets (written down value) are controlled and managed by Council for the community as at 27 January 2023.

## Commentary on January 2023 Capital Budget Report

On 27 June 2022, Council approved a capital budget for 2022-2023 of \$102.91M which has subsequently increased at monthly reviews as previously reported to \$106.15M. At the end of January 2023, the budget was reduced by \$1.02M to \$105.12M because of multiple funding budget adjustments and transfer of Council revenue to operational as reported in the Q2 QCR.

The largest funding adjustments in January 2023 were:

- Introduction of additional NSW Government Housing Acceleration Funding for the existing project to upgrade West Dapto Road.
- Rephasing of Federal Government Local Roads and Community Infrastructure Funding for Beaton Park Tennis Court Relocation and Upgrade project.

Council achieved expenditure at the end of January 2023 of \$50.75M which is 91% of the adjusted phased budget for January 2023 of \$55.84M.

Listed below is a summary of the reasons for budget changes for January which resulted in changes to the 2022-2023 capital budget.
