

Coronavirus Update

Putting our Community First – Important Coronavirus Information

Our focus is on the health, safety and wellbeing of our staff and volunteers, their families and our community. That is why we have closed a number of services and facilities. We appreciate that some of these changes will cause disruption to the daily life of our residents, but we have made this decision to try and reduce the risk faced by our vulnerable community members and to support the Federal and State government's social and physical distancing measures.

At this time the following services are closed to the public:

- Wollongong City Council's Administration Building
- Council's Customer Service Centre. The team will be available online and over the phone only
- Our libraries – our online services will continue to be available through the Library's website
- All supervised pools
- Wollongong Art Gallery
- Wollongong Youth Centre
- The indoor pool, gyms, spa and sauna and hall at Beaton Park and Lakeside Leisure Centres. Selected outdoor services and functions remain open
- All community facility buildings (excluding childcare centres)
- Wollongong Council's Friday Men's Shed
- Volunteering Illawarra
- Flags have also been taken down on our beaches

We will continue to review and respond to updated advice in this rapidly changing space. To stay up-to-date with the latest Council information please visit Council's website or follow Council on Facebook [CityofWollongong](#).
