A3 Map Book Series

Rating Category Series

This map series is published by the Spatial team in the Information Management & Technology Division.

The series covers most of the Wollongong LGA, subject to data availability. For production purposes, the maps are assembled at 1:6200.

Individual update sheets may be purchased through the Spatial Team at any time.

The recording of Rating Categories has been compiled from Council's Rates Register. However, no guarantee can be given that the Rating Categories are completely accurate and enquiries about Rating Categories should be directed to Council's Finance Division.

No liability will be accepted for any inaccuracy in the information depicted.

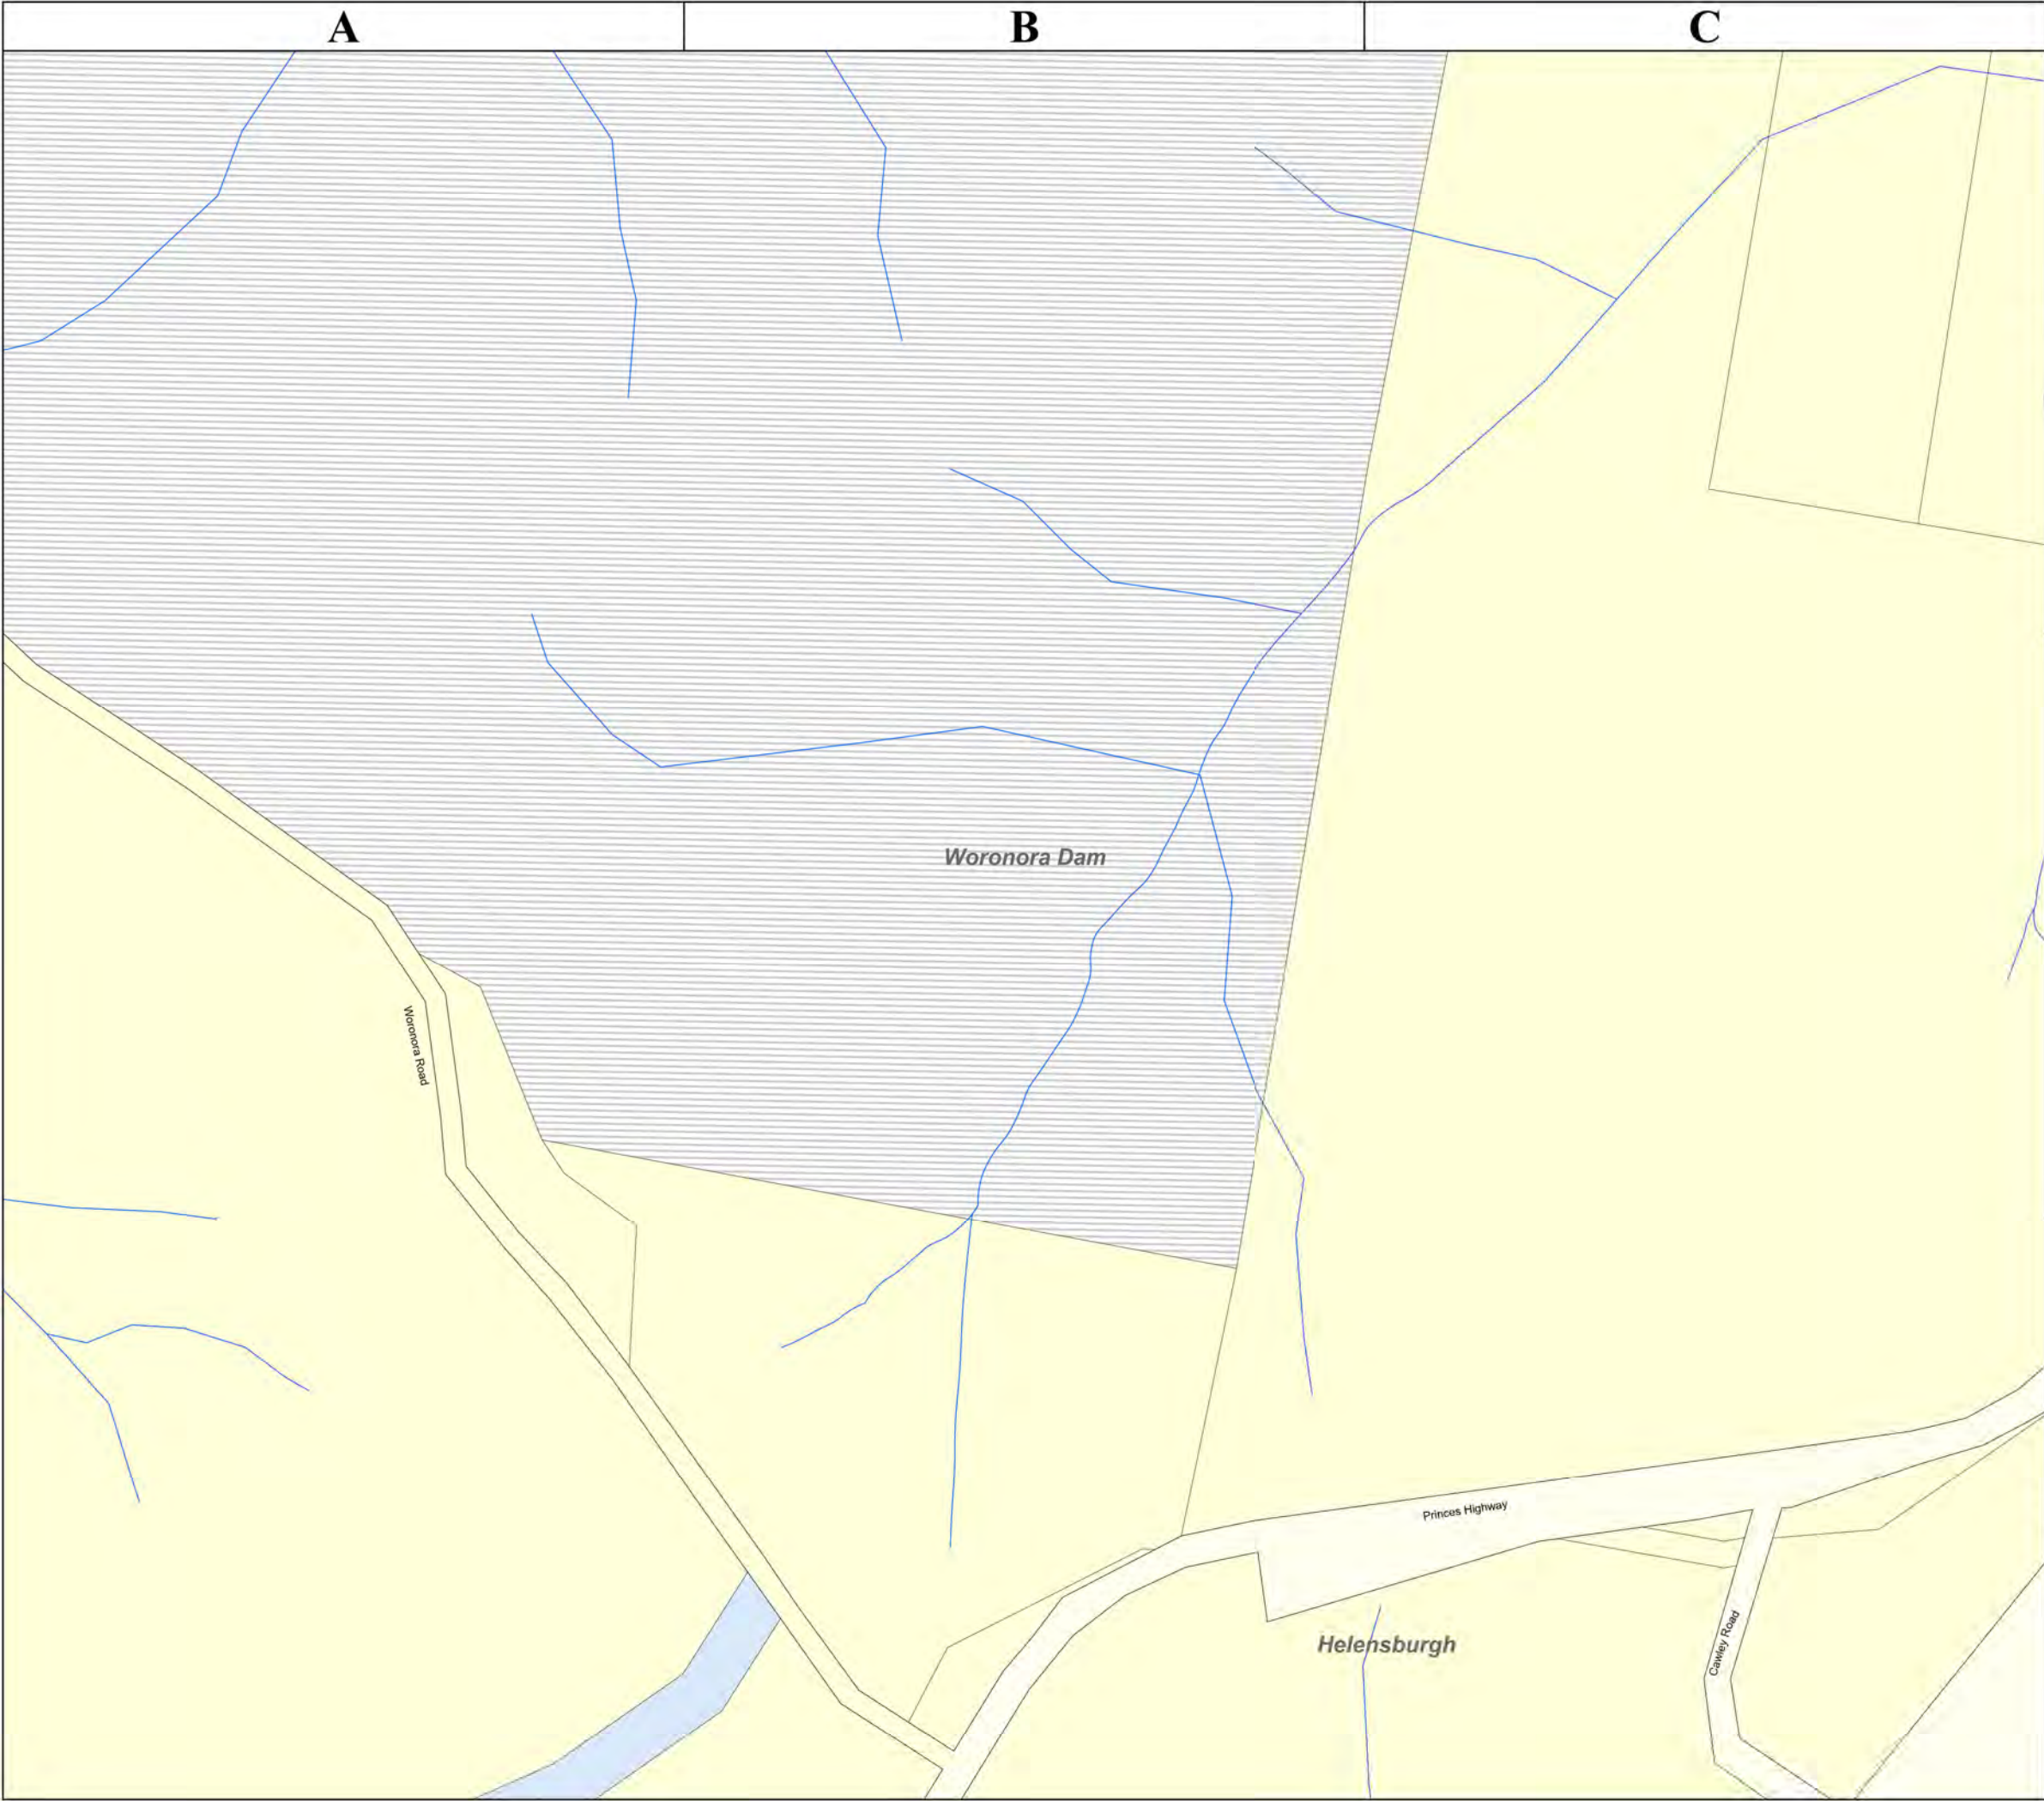

NOTE: The processes involved in generating this product have been fully automated and as a result, some information may be omitted or poorly presented. Where possible, the database is being amended to improve the final presentation.

Cadastral boundaries shown are the legal representation, not the physical.

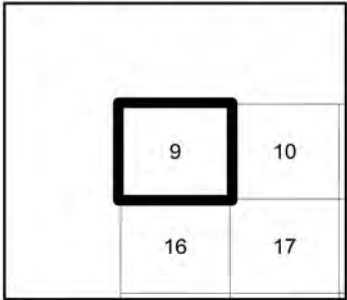

If you wish to make any comments, or receive further information, please contact Council's Spatial team on:
Phone: (02) 4227 7111
