Troubleshooting for Social Enterprises

WEDNESDAY 25 AUGUST 2021
2:00 - 4:00 PM (2hrs)

Are you a social enterprise in Wollongong? Would you like to spend 2 hrs with likeminded individuals that may be able to help?

In this one-off event, we'll bring social enterprises together to talk about:

- Common issues that social enterprises face (e.g. funding, governance, burnout, mission creep and social procurement)
- The "sticky issues" participants are currently facing and how you might solve them
- Where to go for support

We'll share tips, tricks and contacts so that all local social enterprises can thrive. This workshop is for existing social entrepreneurs or people working in social enterprise.

All workshops are hosted at the Green Connect Farm (a 10 year old social enterprise) and supported by funding from Wollongong City Council. Workshops are free to attend but places are limited and bookings essential.
