## **Helensburgh Community Centre and Library – Update**

Wollongong Council's preferred site for the Community Centre and Library is for an amalgamation with the site of Helensburgh Pool. Issues with this site is that it is part Council owned land and part Crown Land.

## **Helensburgh Town Centre Plan Walker Street and Western Terrace - Update**

Wollongong Council have erected barriers around trees on western side of Walker Street to protect them while work is being undertaken. Work has stalled over the last few weeks due to weather and will recommence once safe to do so. There has been criticism from the community over plans to include a blister at the top of Short Street on the southern side. There is concern that the blister will add to traffic problems as this space is required for turning left out of Short Street onto Walker Street.

## **Package Liquor Licence 19-21 Walker Street - Update**

The Liquor and Gaming NSW will hold an online meeting on 30 March 2022 from 6.30 to 8.30 pm to discuss Coles' proposal for a Package Liquor Licence for the site on the corner of Short Street and Walker Street. The meeting may be held as an in-person meeting if there is the demand for it.
